**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As an American who holds dear American values of free competition, I am writing to voice my support for broadband competition.

When it comes to internet access and providers, I want more carriers, not less.

I support small businesses, not monopolies.

I want to be able to have a healthy choice, a real choice, not be forced between a few monopolies with the acquiescence of the government.

These are American values shared values which should be protected not infringed upon.

Listen to real people who are raising their real concerns.

Thank you.
